With an afterthought I dare to send you a long long list – perhaps much too long – as many would may have been told long ago, containing all the theor. «sacr. 1» and «sacr. X» of which I have no definite knowledge that they are not in your possession.

Will you please forgive the trouble we the trouble
The list intentionally include
not. sacr. IV of Chebyshev to
you kindly mark numbers
required here I am causing you.
