MS. 109

[illegible]

The image shows a close-up of a heavily worn, textured surface, likely the cover of an old book or a piece of aged parchment. The texture is rough and uneven, with numerous scratches, scuffs, and signs of age. A dark, vertical strip, possibly a hinge or part of the binding, runs along the left edge. Faint, illegible markings are visible across the surface, including what appears to be the word "North" in the lower right quadrant. The overall appearance is one of significant age and use.
