

A close-up photograph of a piece of aged, yellowed paper that has been torn. On the left side, the word "HAMBURG" is printed in a bold, black, sans-serif font, oriented vertically. To the right of the text, there is a faint, circular portrait of a man with a mustache, likely a historical figure. The paper is heavily creased and shows signs of significant wear and damage.

1886, March 1st
