Gentlemen:

I have been at work for some time upon an English edition of the *Getica* of Jordanes, based upon Mommsen's text in the *Monumenta Germaniae Historica*. As I would like to reprint this text in connection with my own work - making, of course, all due acknowledgement to the editor and publishers of the same - I am writing to ask whether I have your permission to do so.

An early reply will greatly oblige,

Yours sincerely,

Charles C. Mierow

Instructor in Classics
