

h D K. in 1/2 u. 2 in
Zur v. Lauer

$$\frac{16}{5} = 57$$

Yr.

And Mr. Knapp is of the very same
 opinion? and says he has no objection
 saying to my former opinion, ^{the} only
 objection to Dr. Robinson's is that
 the Commission is necessary - and that it
 is essential to the work is, I suppose is the
 saying - and is something like this.
