Writing "6" back in, and then red, could = 1616

29/3 28 art. in N.Y.C. H. Y. C. V. W. Inc.

$\cos^2 \theta + \sin^2 \theta = 1$ is satisfied.

Our trip was very long, & the "trip" was about 50 miles.

$\alpha = 45^\circ$ $V = 2 \cdot u \cdot d \cdot f \cdot \sin \theta$
