$\sin^2 \xi = \sin^2 15^\circ = 0.5625$

Aug 20th 1928. At E.E. 18 ft. up, at water level) in the same steps, S. side
of stream. New species.

Anlage Entw.

Robinson
from his
1842
Albumen

and by the 1st of Oct. 1862, you will have my first & 2nd sets. I do not
know when you will get them, as I am very busy now, & do not expect to have
them ready before the 1st of Nov. - If you will let me know when you expect to receive
them, we can make arrangements accordingly. I do not ^{mean} (now) to charge you for
them.

Durde mir Abschluß mit Erwähnung seines & seiner L. i. d. g. Werke 6^o le.
