Dear Professor Baetjer

I have word from

Dr. J. E. Monmsen that some numbers of the
M.E.H. publications are available. I enclose
a cheque for \$4.60 which I hope would cover
Scholz - Wilhelm von Ockham. The library of
the University will be ordering four - Berger, Der
Sieglinde Josthof, Scholz & Corona Querna - separately.
It will take a few days for the official request to go through.

Yours very truly

J. E. Monmsen
