Professor Dr. Friedrich Baethgen,
München, GERMANY.

Dear Dr. Baethgen:

Following instructions of Dr. Ernst H. Kantorowicz, my professor at the University of California, I am sending you by ordinary mail six copies of - my book entitled "The Alexandrines Bulls of 1493 and the Political Theory of the Medieval Papacy", the Introduction of - which was written by Dr. Kantorowicz.

Please keep one copy for yourself as Director of the Monumenta Germaniae Historica. The remaining - five, could you be so kind as to forward them to:

the Deutsches Archiv;
the Historische Zeitschrift;
the Deutsche Literaturzeitung;
the Zeitschrift der Savigny-Stiftung für Rechtsgeschichte; and
the Zeitschrift für Kirchengeschichte,

whose present day addresses Dr. Kantorowicz does not know? I will be very grateful.

I am most fortunate that I was put in contact by Dr. Kantorowicz -who directed and supervised my research- with German scholarship.

Sincerely yours,

Luis Weckmann

Asst. Professor of European History,
National University of Mexico.
