Dear Dr. Bischoff -

Please do excuse my delay in answering your welcome card of 5 Nov.

The information which you request for Vat. let. 5330 is herewith enclosed. Don't fail to let me know in whatever way I can be of any service.

As to possibility of going to Naples: yes - I plan to do some filming there sometime after December - as all belligerent countries are now barred to Americans - I cannot pursue my research in England or France. Hence I shall do all possible in Italy (filming etc.) - Let me know therefore your Naples desiderata - I shall write you later the exact date of my stay there.
