Dear Professor Bischoff,

Professorship of Palaeography and Late Latin

Thank you for your letter of 9th August.

The consensus of opinion appears to be that the four candidates- Michael Herren, Hans Oskamp, Alexander B.Scott and Maurice P.Sheehy - should be shortlisted for interview. ~~That has been done and I enclose schedule.~~

Copies of reports from referees which have been received by Thursday 25 August will be sent to you; reports received after that date, if any, will be held over until the board meets.

I look forward to hearing your travel plans.

Yours sincerely,
