Camarillo, CA 93010

Dear Sir,

I should like to have a microfilm (negative, black/white) of the whole of your Ms.6361, and would be most grateful, if you could have the microfilm made and send it to me. I intend to use it in a paleographical research project that I am now engaged in.

I would prefer that it be sent by airmail and would be happy to pay the costs of filming and shipment on receipt or in advance.

Sincerely
