Dear P. Birchhoff

The Librarian of Louv. arrived
two days ago with a lot of mss.
& amongst them your ms. 84.
I have deciphered the verses of
the second fly-leaf^{vo}, & asked
even P^r Lowe's advice, because
it did not make much sense!
I hope anyhow that you will
enjoy this addition to your collection.
I have copied too ~~the~~ a few lines
written on the top of the same folio -
not the same handwriting but ~~same~~
9th Cent. too.
